Thank you for selecting the Nintendo Entertainment System®
Cobra Triangle™ ° Pak.

OBJECT OF THE GAME/GAME DESCRIPTION
Put your skill and reflexes to the test at the controls of a highly modified Cobra Class Speed Boat. Push it to the limit on every level where you’ll race against other boats, avoid treacherous whirlpools, battle deadly sea monsters and protect a group of helpless swimmers. Increase your boat’s performance by collecting Pods which will allow you to upgrade your speed and firepower. 25 stages of high speed, river running action await you.

Please read this instruction booklet to ensure proper handling of your game, and then save the booklet for future reference.

1. PRECAUTIONS
A. This is a high precision game. It should not be stored in places that are very hot or cold. Never hit it or drop it. Do not take it apart.
B. Avoid touching the connectors. Do not get them wet or dirty. Doing so may damage the game.
C. Do not clean with benzene, paint thinner, alcohol, or other such solvents.

NOTE: In the interest of product improvement, Nintendo Entertainment System specifications and design are subject to change without prior notice.

Time remaining

Number of lives remaining

Score

*NOTE: Can be increased more than once.
LEVELS OF PLAY

Race to the Finish
It's an all out sprint to the finish as you race against other boats. Collect Pods along the way, but watch out for sharks!

Collect the Pods
Hit the ramps and collect the bonus items. Lots of Pods and Surprises!

Dispose of Mines
Take the Mines to the disposal area, but watch out for the guard boat, he will try and stop you!

Beat the Monster
Use your skill and firepower to defeat these Creatures of the Deep.

LEVELS OF PLAY – CONT.

Guard the People
These helpless swimmers are counting on you to protect them from being kidnapped. Watch out for the space ships!

Reach the Finish
Maneuver around natural hazards which block your path to the Finish.

Jump the Waterfall
Timing is crucial in successfully jumping your Cobra Speed Boat over the falls and to the Finish.

Shoot Targets
Shoot the targets for bonus points. Hit them all and get a 1-Up.

HINTS FOR BETTER PLAY

• If you find the handling of your Cobra Speed Boat difficult at first, practice, practice, practice. Mastering the Cobra demands the split second instinctual controller inputs that come only with practice.
• Bumping into the land will damage the hull of your Cobra Speed Boat and cause you to lose energy. Be careful!!!
• Increase your Power-Up items as soon as you can. It will help your performance throughout the game.
COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna
- Relocate the NES with respect to the receiver
- Move the NES away from the receiver
- Plug the NES into a different outlet so that Control Deck and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communications Commission helpful:

How to Identify and Resolve Radio-TV Interference Problems.
